

SAWNEE WOMAN'S CLUB

IN THE COMMUNITY

In December 2019, SWC received \$2,000 from Sawnee EMC for book packs for elementary school students throughout Forsyth County

Operation Round Up and Sawnee Electric Membership Foundation are Making a Difference

Local non-profits are busier than ever helping residents in our community with rent, clothing, food and educational resources. This is possible, in part, because of generous donations from people like our Sawnee EMC members who participate in the Cooperative's [Operation Round-Up Program](#). They voluntarily [round up](#) their Sawnee bill, donating the extra change to the [Sawnee Electric Membership Foundation](#), in order to enrich the lives of others.

Recently, the Sawnee Electric Membership Foundation Board awarded \$86,763 to 44 local charitable organizations. Additionally, 13 teachers at local schools received classroom grants totaling \$18,943.32 through [Bright Ideas](#). Since inception, the Foundation has donated over \$3 Million to local charitable organizations, youth scholarships and Bright Ideas classroom grants.

THANK YOU to each and every Sawnee EMC member that participates in this worthwhile program. You are helping to make a difference in our local communities. Read the [press release](#) to learn more about the local organizations and schools that were awarded a grant this quarter.
